

Peter H. Kind

*Senior Managing Director
Macquarie Capital Advisors
Power & Utilities Industry Group*

Peter Kind is a Senior Managing Director in Macquarie Capital (USA) Inc.'s Macquarie Capital Advisors group focusing on coverage of the U.S. Utilities and Power industries.

Peter joined Macquarie in September 2009 to partner in the development of Macquarie's advisory and capital markets coverage activities with the U.S. Power & Utilities industries. Peter's banking experience includes capital markets advisory and transaction execution and strategic advisory services, including merger and acquisition and corporate finance advice. Peter's M&A experience includes all sectors of regulated utility and non-regulated power businesses.

Peter has over 25 years of utility industry investment banking experience, including prior experience at Bank of America, where he lead the Power and Utilities Corporate and Investment Banking effort, and Citigroup and Kidder Peabody, where he co-directed the Power & Utilities industry teams of each of those firms. Prior to investment banking, Peter worked for Arthur Andersen & Co.

Peter holds an MBA in Finance from New York University and BBA in Accounting from Iona College. Peter practiced as a Certified Public Accountant until 1981. Presently, Peter is Co-Chairman of EEI's Wall Street Advisory Group.
