

Ruth Maddigan - Speaker Bio

Ruth Maddigan is Manager of Performance Analysis and Reporting at the Tennessee Valley Authority, where she has served in a number of roles over the last eleven years. Recently, her focus has been in the area of energy efficiency and renewables. She brings a range of experience to this topic, from forecasting electricity demand for rural electric cooperatives when she worked at Oak Ridge National Laboratory to supporting socioeconomic assessments for Environmental Impact Statements when she worked at Science Applications International Corporation. Ruth received her doctorate in Business Economics and Quantitative Business Analysis from Indiana University in Bloomington, Indiana and a BA in Economics from the University of California at Berkeley.
